Unseen Passage

The Lost Puppy

Anita was walking home from school when she heard a soft sound coming from behind a bush. Curious, she went closer and saw a small brown puppy shivering in the cold. The puppy looked frightened and hungry.

Anita gently picked up the puppy and took it home. She gave it some milk and wrapped it in a warm cloth. Soon the puppy stopped shivering and started wagging its tiny tail.

The next day, Anita made posters and placed them around the neighborhood saying “Lost Puppy Found.” After two days, a boy named Rahul came to Anita’s house. He had been searching everywhere for his puppy.

Rahul was very happy to see his pet again. He thanked Anita for taking care of the puppy and promised to be more careful in the future.
