OH, LOOK AT THE TIME!

It's time for a little activity about angles.

Directions: Below are pictures of clocks with two hands that make one angle. Use your protractor to find out if they make an acute or obtuse angle. Remember to double check your answers before you submit your paper!

WHAT TIME IS IT?

Telling time.

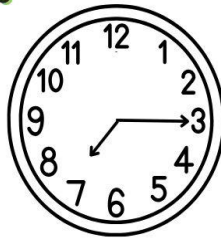

Fill in the correct time for each clock.

1.

It's two forty-five

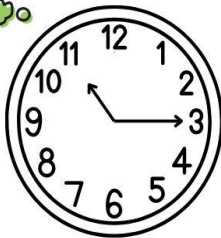

2.

3.

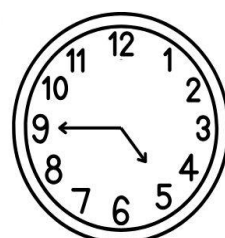

4.

5.

6.

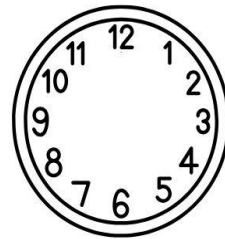

Now, draw the hands on the clock to show the time.

It's six thirty

It's five o'clock

It's nine twenty-five
